Your insurance has been designed to provide financial help for you when a covered loss occurs. Your employer has chosen benefits provided by a Group Policy issued by Us, Principal Life Insurance Company. To the extent that benefits are provided by that Group Policy, the administration and payment of claims will be done by Us as an insurer.

The provisions of the Group Policy determine Members' rights and benefits. This booklet briefly describes those rights and benefits. It outlines what you must do to be insured. It explains how to file claims. It is your certificate while you are insured.

NOTE: If this insurance replaces prior group life insurance provided through the Policyholder, the beneficiary named under the prior group life insurance and recorded by the Policyholder will be the beneficiary under the Group Policy unless you have named a new beneficiary. If you wish to change your beneficiary designation, you must complete a new beneficiary designation form - see the Policyholder for the necessary form.

THIS BOOKLET REPLACES ANY PRIOR BOOKLET THAT YOU MAY HAVE RECEIVED. If you have any questions about this new booklet, please contact your employer. In the event of future changes to your insurance, you will be provided with a new Scheduled Benefits Summary, booklet-certificate, or a booklet-certificate rider.

If you have an electronic booklet, paper copies of this booklet-certificate are also available. Please contact your employer if you would like to request a paper copy.

PLEASE READ YOUR BOOKLET CAREFULLY. We suggest that you start with a review of the terms listed in the DEFINITIONS Section (at the back of the booklet). The meanings of these terms will help you understand the insurance.

This booklet describes all the benefits available under the Group Policy underwritten by Us. However, if you have elected to not accept any available benefits, those benefits described in this booklet will not apply to you.

The group insurance policy and your insurance under the Group Policy may be discontinued or altered by the Policyholder or Us at any time without your consent.

We reserve complete discretion to construe or interpret the provisions of this group insurance, to determine eligibility for benefits, and to determine the type and extent of benefits, if any, to be provided. Our decisions in such matters will be controlling, binding, and final as between Us and persons insured by the Group Policy, subject to the Claim Procedures shown on GH 113 of this booklet.

ACCELERATED BENEFITS - Benefits paid as shown in this booklet-certificate for Accelerated Benefits are an advance of a portion of your Life Insurance benefit. This provision:

- accelerates and reduces your benefit;
- is not intended to be used as long-term care insurance.

Effect on Government Benefits. If you receive payment of Accelerated Benefits, you may lose your right to receive certain public funds, such as Medicare, Medicaid, Social Security, Supplemental Security, Supplemental Security Income (SSI), and possibly others.

Tax Consequences. Receiving Accelerated Benefits from the Group Policy may have tax consequences for you. We cannot give you advice about this. You may wish to obtain advice from a tax professional or an attorney before you decide to receive Accelerated Benefits from the Group Policy.

The insurance provided in this booklet is subject to the laws of the state of IOWA.

Class	*Scheduled Benefit
ALL MEMBERS	The amount that is equal to 1, 2, 3 or 4 times your Annual Budgeted Salary (this amount will be rounded to the nearest \$1,000, if it is not already an exact multiple of \$1,000 prior to the calculation). The Maximum Scheduled Benefit amount will not exceed \$500,000, subject to the provisions below.

Member Life Insurance benefits are subject to all reductions provided in the Group Policy including reductions due to salary changes, and age changes, and receipt of an Accelerated Benefit payment.

*The Scheduled Benefit is subject to the Proof of Good Health requirements as described in the booklet on GH 110. If, because of these Proof of Good Health requirements, We approve an amount of insurance that is different than the Scheduled Benefit, the approved amount will be paid.

We may rely on the Policyholder for certification of the amount of compensation or insurance.

If you are injured and otherwise qualify, We will pay the following percentages of your Scheduled Benefit (or approved amount, if applicable) in force:

- 50% if you lose a hand, a foot, or the sight of one eye; or
- 100% if more than one of the above listed losses results from the same accident; or
- 25% for loss of thumb and index finger on the same hand; or
- 100% if you lose your life.

Payment for loss of life will be to your beneficiary or as otherwise provided in the Death Benefit provision. Payment for any other loss will be to you. Your specific Scheduled Benefit is shown on your Scheduled Benefits Summary and is based on your class:

MEMBER LIFE INSURANCE MEMBER ACCIDENTAL DEATH AND DISMEMBERMENT INSURANCE

Eligibility

To be eligible for insurance you must be a Member.

You will be eligible on the first of the Insurance Month that next follows the date you become a Member as defined on GH 114.

In no circumstance will you be eligible for Member Life Insurance under the Group Policy if you are eligible under any other Group Voluntary Term Life Insurance policy underwritten by Us.

Effective Dates - Actively at Work

If you are not Actively at Work on the date your insurance would otherwise be effective, your insurance will not be in force until the day you return to Active Work.

This Actively at Work requirement will be waived for you if:

- you are absent from Active Work because of a regularly scheduled day off, holiday, or vacation day; and
- you were Actively at Work on your last scheduled work day before the date of your absence; and
- you were capable of Active Work on the day before the scheduled effective date of your insurance or change in your insurance, whichever is applicable.

Individual Incontestability

All statements made by any insured person (you or one of your Dependents) will be representations and not warranties. In the absence of fraud, these statements may not be used to contest an insured person's insurance unless:

- the insurance has been in force for less than two years during the insured person's lifetime; and
- the statement is in Written form Signed by the insured person; and
- a copy of the form, which contains the statement, is given to the insured person or the insured person's beneficiary at the time insurance is contested.

However, the above will not preclude the assertion at any time of defenses based upon the person not being eligible for insurance under the Group Policy or upon other provisions of the Group Policy.

In addition, if a person's age is misstated, We may, at any time, adjust premium and benefits to reflect the correct age.

Assignments

Only assignments of Member Life Insurance will be allowed under the Group Policy and only if:

- they are not collateral assignments or assignments for consideration; and

- they are in Written form and recorded at Our home office in Des Moines, Iowa.

We will assume no responsibility for the validity of effect of any assignment.

In some instances, Proof of Good Health will be required to place your insurance in force. We will determine the type and form of required proof. You will need to file Proof of Good Health:

- If you have failed to provide required Proof of Good Health or you have been refused insurance under the Group Policy at any prior time.
- If you elect to terminate insurance and, more than 31 days later, you request to be insured again.

- In no event will Dependent Life Insurance be in force if you are not insured for Member Life Insurance.

Requests for insurance and Proof of Good Health are not required provided We have been notified of the new Dependent within 31 days after the date the Dependent is acquired.
- If Dependent Life Insurance is then in force for any other Dependent, a newly born child will be insured from the moment of live birth, provided the child meets the definition of a Dependent Child.

CONTINUATION

Federal Family and Medical Leave Act (FMLA)

Federal law requires that Eligible Employees be provided a continuation period in accordance with the provisions of the Federal Family and Medical Leave Act (FMLA).

This is a general summary of the FMLA and how it affects the Group Policy. See your employer for details on this continuation provision.

FMLA and Other Continuation Provisions

If your employer is an Eligible Employer and if the continuation portion of the FMLA applies to your insurance, these FMLA continuation provisions:

- are in addition to any other continuation provisions of the Group Policy, if any; and
- will run concurrently with any other continuation provisions of the Group Policy for sickness, injury, layoff, or approved leave of absence, if any.

If continuation qualifies for both state and FMLA continuation, the continuation period will be counted concurrently toward satisfaction of the continuation period under both the state and FMLA continuation periods.

Eligible Employer

Eligible Employer means any employer who is engaged in commerce or in any industry or activity affecting commerce who employs 50 or more employees for each working day during each of 20 or more calendar workweeks in the current or preceding calendar year.

Eligible Employee

Eligible Employee means an employee who has worked for the Eligible Employer:

- for at least 12 months; and
- for at least 1,250 hours (approximately 24 hours per week) during the year preceding the start of the leave; and
- at a work-site where the Eligible Employer employs at least 50 employees within a 75-mile radius.

For this purpose, "employs" has the meaning provided by the Federal Family and Medical Leave Act (FMLA).

Mandated Unpaid Leave

Eligible Employers are required to allow 12 workweeks of unpaid leave during any 12-month period to Eligible Employees for one or more of the following reasons:

- the birth of a child of an Eligible Employee and in order to care for the child;
- the placement of a child with the Eligible Employee for adoption or foster care;

- to care (physical or psychological care) for the spouse, child, or parent of the Eligible Employee, if they have a "serious health condition";
- A "serious health condition" that makes the Eligible Employee unable to perform the functions of his or her job; or
- because of "qualifying exigency" arising out of a spouse, son, daughter or parent on active duty or having been notified of a call to active duty.

Eligible Employers are required to allow up to a total of 26 workweeks of unpaid leave during any 12 month period to eligible employees to care for a "covered service member" with a "serious injury or illness".

Reinstatement

An Eligible Employee's terminated insurance may be reinstated in accordance with the provisions of the Federal Family and Medical Leave Act (FMLA), subject to the Actively at Work and Period of Limited Activity requirements of the Group Policy.

DESCRIPTION OF BENEFITS

MEMBER LIFE INSURANCE

Death Benefit

If you die while insured for Member Life Insurance, We will pay your beneficiary the Scheduled Benefit (or approved amount, if applicable) in force on the date of your death, less any unpaid premium and less any Accelerated Benefit payment as discussed later in this section. Any benefit due a beneficiary who does not survive you will be paid in equal shares to your surviving beneficiaries. If a beneficiary dies at the same time or within 15 days of you, but before We receive Written proof of your death, payment will be made as if you survived the beneficiary. If no beneficiary survives you or if no beneficiary is named, We will make payment in the following order of precedence:

- to your spouse or Domestic Partner;
- to your children born to or legally adopted by you;
- to your parents;
- to your brothers and sisters; or
- if none of the above, to the executor or administrator of your estate or other persons as provided in the Group Policy.

However, if a beneficiary is suspected or charged with your death, the Death Benefit may be withheld until additional information has been received or the trial has been held. If a beneficiary is found guilty of your death, such beneficiary may be disqualified from receiving any benefit due. Payment may then be made to any contingent beneficiary or to the executor or administrator of your estate.

No payment will be made before We receive Written Proof of your death.

Upon your death, the Scheduled Benefit (or approved amount, if applicable) in force on the date of your death, less any unpaid premium and less any Accelerated Benefit payment as discussed later in this section will be paid in a single lump sum. Upon request, We may consider other payment options.

If you die by suicide within 24 months after the effective date of your Member Life Insurance, We will pay your beneficiary the amount of any premium paid by you to Us during the period of time your insurance was in force in lieu of the Scheduled Benefit (or approved amount, if applicable) in force on the date of your death. Any such payment will discharge Us to the full extent of such payment.

However, the 24 months may be reduced by any time satisfied under the Prior Policy, provided you were insured under the Prior Policy and coverage was in force for you on the date the Group Policy became effective.

Beneficiary

You should name a beneficiary at the time you enroll for insurance. You may name or later change your beneficiary by sending a Written request to the Policyholder. See the Policyholder for change request forms. A change in your beneficiary will not be in force until the Policyholder record(s) the change. Once recorded, the change will apply as of the date the request was Signed. If We properly pay any benefit before a change request is received, that payment may not be contested.

Continuation (Member Life Insurance - Coverage During Disability)

If you cease Active Work for any reason, your insurance will normally terminate. However, if you cease Active Work because you are Totally Disabled, you might qualify to continue your Member Life and Member Accidental Death and Dismemberment Insurance and Dependent Life Insurance. This continuation is called Coverage During Disability. This Coverage During Disability provision does not apply to you if you have continued coverage under the Portability provision, as described on GH 307.

To be qualified for Coverage During Disability, you must:

- become Totally Disabled while insured for Member Life Insurance; and
- become Totally Disabled prior to the June 30 coinciding with or next following the date you attain age 70; and
- remain Totally Disabled continuously; and
- be under the regular care and attendance of a Physician; and
- send proof of Total Disability to Us within one year of the date Total Disability starts and as often thereafter as We may require; and
- return, without claim, any individual policy issued under your purchase rights as described below. Upon return of such policy, We will refund premiums paid, less dividends and less any outstanding policy loan balance; and
- submit to examinations by a Physician or evaluations by an evaluator when We require (We will pay for these examinations and will choose the Physician).

We have the right to require you to undergo medical evaluations, functional capacity evaluations, vocational evaluations, and/or psychiatric evaluations during the course of a claim. The examinations or evaluations will be performed by a Physician or evaluator We choose as appropriate for the condition and will be conducted at the time, place and frequency We reasonably require.

We will pay for these examinations and evaluations and will choose the Physician or evaluator to perform them. Failure to attend a medical examination or cooperate with the Physician may be cause for denial of your benefits. Failure to attend an evaluation or to cooperate with the evaluator may also be cause for denial of your benefits. If you fail to attend an examination or an evaluation, any charges incurred for not attending an appointment as scheduled may be your responsibility.

If you qualify, Coverage During Disability will be in force on the latest of:

- the date following 90 consecutive days after the date you become Totally Disabled; or
- the exhaustion of your accumulated sick pay and vacation benefits; or
- the date of your death.

Premium will not be charged for Member Life Insurance while your Coverage During Disability is in force.

Coverage During Disability will cease on the earliest of:

- the date your Total Disability ends; or
- the date you fail to send Us any required proof of Total Disability; or

- the date you cease to be under the regular care and attendance of a Physician; or
- the date you fail to submit to a required Physician's examination or evaluation by an evaluator; or
- the June 30 coinciding with or next following the date you are age 70; or
- the date you voluntarily retire, terminating participation in Long Term Disability Coverage.

Recurring Disability

Coverage During Disability may be continued beyond the normal termination date if it is determined that a Recurring Disability exists. A Recurring Disability will exist if you become Disabled again, after returning to Active Work for less than six continuous months, provided you have already completed the Coverage During Disability qualification period, and your current Disability and the Disability for which you completed the Coverage During Disability qualification period result from the same or a related cause.

All Recurring Disabilities will be treated as if the initial Disability had not ended. You will not need to complete a new Coverage During Disability qualification period for a Recurring Disability. Coverage During Disability will be in force immediately.

If you die while Coverage During Disability is in force, We will pay your beneficiary the Member Life Insurance benefit, if any, that would have been paid had you remained insured under the Schedule of Insurance in force on the date your Total Disability began. Member Life Insurance benefits are subject to all reductions provided in the Group Policy including reductions due to salary changes, and age changes, and receipt of an Accelerated Benefit payment.

Note that Coverage During Disability will not be in force and NO BENEFIT WILL BE PAID if Written proof of Total Disability is not sent to Us within ONE YEAR of the date Total Disability starts. However, failure to give Written proof within the time specified will not invalidate or reduce any claim if Written proof is given as soon as reasonably possible.

Accelerated Benefit

An Accelerated Benefit is an advance (before death) payment of a part of your Member Life Insurance benefit. To qualify for an Accelerated Benefit, you must:

- be insured for a Member Life Insurance benefit of at least \$10,000; and
- be Terminally Ill (expected to die within 12 months); and
- send a request for Accelerated Benefit payment to Us; and
- send proof, satisfactory to Us, of your Terminal Illness; and
- provide a release from the assignee, if your Member Life Insurance benefit has been assigned.

Proof of Terminal Illness will consist of a statement from your Physician, and any other medical information that We believe is needed to confirm your status.

If you qualify, We will pay you any amount you request, except that:

- only one Accelerated Benefit payment will be made during your lifetime; and
- you must request a payment of at least \$5,000; and

Following is an EXAMPLE of how this benefit affects the final death benefit.

BENEFIT EXAMPLE		
Member Life Insurance Benefit Amount	\$	100,000
Accelerated Benefit Amount Requested	\$	75,000

(\$100,000 - \$75,000)	\$	25,000

During the two-year period following payment of an Accelerated Benefit:

- your Member Life and Member Accidental Death and Dismemberment Insurance and Dependent Life Insurance will be provided without premium charge.

Individual Purchase Rights

You will have the right to buy an individual life insurance policy without submitting Proof of Good Health:

- If your total Member Life Insurance, or any portion of it, terminates because you end Active Work or cease to be in a class eligible for insurance. In these instances, the maximum amount you may buy will be your Member Life Insurance amount in force on the date of termination or the portion of your Member Life Insurance that has terminated, less any individual amount purchased earlier under these rights, and less any Accelerated Benefit as discussed earlier in this Section.
- If the Group Policy terminates or is amended to exclude your insurance class after you have been insured for at least five years. In these instances, the maximum amount you may buy will be the smaller of: (1) \$2,000; or (2) your Member Life Insurance amount in force on the date of termination, less any Accelerated Benefit as discussed earlier in this Section and less any amount for which you become eligible under any group policy within 31 days.
- If your Coverage During Disability ceases because Total Disability ends and you do not then become insured under the Group Policy within 31 days. In this instance, the maximum amount you may buy will be the

Coverage During Disability benefit amount in force on the date Total Disability ends, less any individual amount purchased earlier under these rights, and less any Accelerated Benefit as discussed earlier in this Section.

- If your Accelerated Benefit Premium Waiver Period ceases and you do not qualify for Coverage During Disability. In this instance, the maximum amount you may buy will be the Member Life Insurance benefit amount in force on the date you cease Active Work, less any individual amount purchased earlier under these rights, and less any Accelerated Benefit as discussed earlier in this Section.

You must apply for individual purchase and pay the first premium to Us within 31 days after your insurance or Coverage During Disability under the Group Policy ceases.

See the Policyholder for the proper forms. Any individual policy issued will be effective on the 32nd day.

The individual policy will be for life insurance only (other than term insurance). No Disability or other benefits will be included. The premium you pay will be at Our normal rate for your age and for the risk class to which you belong on the individual policy's date of issue.

If you die within the 31-day purchase period, your beneficiary will be paid the life insurance amount, if any, you had the right to buy. This payment will be made whether or not you have applied for an individual policy.

DEPENDENT LIFE INSURANCE

Unless a Beneficiary has been designated, payment will be to you if you survive the Dependent. However, if you are suspected or charged with your Dependent's death, the Death Benefits may be withheld until additional information has been received or the trial has been held. No payment will be made before We receive Written proof of the Dependent's death.

If your Dependent dies by suicide within 24 months after the effective date of his or her Dependent Life Insurance, We will pay the amount of any premium, attributable to that Dependent, paid by you to Us during the period of time the Dependent Life Insurance for your Dependent was in force in lieu of the Scheduled Benefit (or approved amount, if applicable) in force on the date of your Dependent's death. Claim Forms

Claim forms and other information needed to prove loss must be filed with Us in order to obtain payment of benefits. The Policyholder will provide forms to assist you in filing claims. If the forms are not provided within 15 days after We receive such notice, you will be considered to have complied with the requirements of the Group Policy upon submitting, within the time specified below for filing proof of loss, Written proof covering the occurrence, character and extent of the loss.

Payment, Denial, and Review

Initial claims will be processed within 45 days from receipt of the claim. If a claim cannot be processed due to incomplete information, We will send a Written explanation prior to the expiration of the 45 days. A claimant is then allowed up to 45 days to provide all additional information requested. We are permitted two 30-day extensions for processing an incomplete claim. Written notification will be sent to a claimant regarding the extension.

In actual practice, benefits under the Group Policy will be payable sooner, provided We receive complete and proper proof of loss. Further, if a claim is not payable or cannot be processed, We will submit a detailed explanation of the basis for Our denial.

A claimant may request an appeal of a claim denial by Written request to Us within 180 days of the receipt of notice of the denial. We will make a full and fair review of the claim.
