

DONATED LEAVE FOR CATASTROPHIC ILLNESS

Guidelines

I. Certification Requirements

- A. The employee must submit to University Human Resources/Benefits Office a “Donated Leave for Catastrophic Illness Application” form completed by their health care provider.
- B. The health care provider’s statement on the “Donated Leave for Catastrophic Illness Application” form is the basis for determining if the requirements of the catastrophic illness definition have been met. Based on the information provided by the health care provider the University Human Resources/Benefits Office will determine if the employee meets the remaining eligibility requirements in Part III (B).
- C. University Human Resources/Benefits Office may, at its initiative and expense, seek clarification or updates from the health care provider regarding the status of the employee’s illness or injury.

II. Program Requirements

- A. Eligible donors may make donations of accrued leave time from the accrued vacation leave or converted sick leave. Donations must be made in increments of one hour or more. All of the recipient’s own accrued leave must be exhausted before donations will be credited to the recipient.
- B. All eligible ISU employees earning vacation/converted sick leave may donate on an dollar for dollar basis to any eligible ISU employee.

Board of Regents, University of Northern Iowa, University of Iowa and other State of Iowa entities will donate on an hour for hour basis.

- C. Approval for use of donated leave shall be for a period not to exceed 90-work days for each occurrence.
- D. Donated leave shall be irrevocable after it is credited to the recipient. Donated leave hours not credited to the recipient will not be deducted from the donor’s leave balance.
- E. Donations shall be credited on a first-in/first-out basis according to the signature date on the “Donated Leave for Catastrophic Illness Donation” form.
- F. Recipient may discontinue donated leave contributions at any time.

- G. Donated leave for catastrophic illness will not restrict the right to separate probationary employees.
- H. When donated leave for a catastrophic illness is received, Iowa State University will pay its share of health, dental, group term (basic) life and long-term disability (after first year of employment). Employees will be responsible for payment of any required contributions for benefits.
- I. Leave without pay provisions shall apply to the following currently enrolled benefits, which may include: health, dental, group term (basic) life voluntary term life, dependent term life, long-term disability insurances, flexible spending account, and optional eyewear plan. Also, holiday pay, sick leave accrual and vacation leave accrual. Employees are allowed to continue or end currently enrolled insurance coverage.
- J. Donated leave hours are not tax-deductible.

III. Recordkeeping

- A. Iowa State University Human Resources/Benefits Office shall maintain records pertaining to donated leave and shall make these records accessible upon request, pursuant to University policy and applicable law.
- B. Records and documents relating to donated leave must be treated as confidential and maintained by University Human Resources/Benefits Office.
- C. Information regarding recipients and donors remain confidential.
