Supplemental Questions

The supplemental questions section can be used later to inform the rating process of applicants. There are a few options for supplemental questions:

Adding New Supplemental Questions: Click on the button labeled "Add a Question". A pop up section will appear where you can add an existing question or create a new one.

Adding Existing Supplemental Questions: There are two ways to search for approved supplemental questions to add to the job being posted. You can filter using the key word search or filter by question category.

Assign Points or Disqualifying Responses: Click on the question that has been added and a dropdown menu will appear where points and disqualifying responses can be associated to the

Creating a P&S Temporary or Emergency Posting Job Aid

supplemental question.

Supplemental Question Options: Once questions have been added to the posting, you will see a column of checkboxes to the left of each question; checking these boxes will make a question required.

Applicant Documents

Indicate applicant documents that will be required, optional, or not used on the posting. Be sure to update Application Instructions (on the posting) if selecting “other documents”.

Posting Documents

Uploading supporting documents, such as Waiver of Advertisement approval and/or any other relevant documents/emails, etc. can be attached in this section.
